# Up to the Task

Visio is a range of conference furniture designed to match the level of your interactions. Adjustable and versatile, it puts collaboration at the heart of your spaces while offering optimal comfort and ergonomics.

Its laminate TV support moves in sync with the surface, while a felt panel stylishly conceals cables, creating a clean and inspiring environment.

Laminate TV support attached to the surface. Configurable with a felt back panel option, designed to keep cables out of sight in style.

Four surface types: rectangular, rounded-corner rectangular, D-shaped, and Comet (new at Artopex).

Elegant all-metal pillar leg.

## Furniture

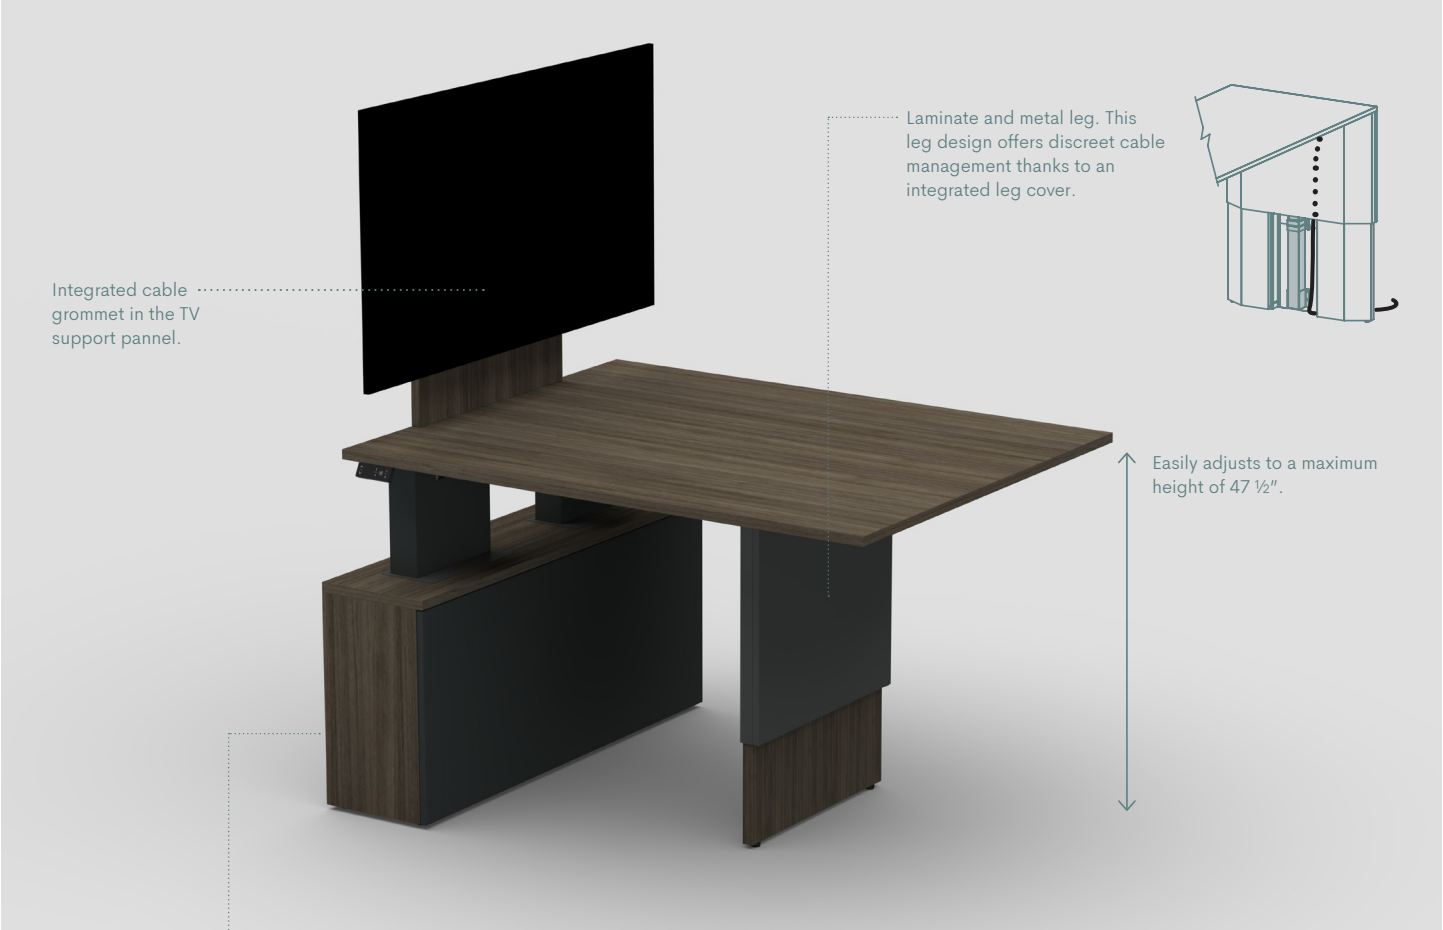

Visio adjustable table with Comet FENIX® Grigio Londra surface, all-metal Eggshell pillar leg, Free Spirit laminate small wall, and Dune felt panel.

Element Active seating.

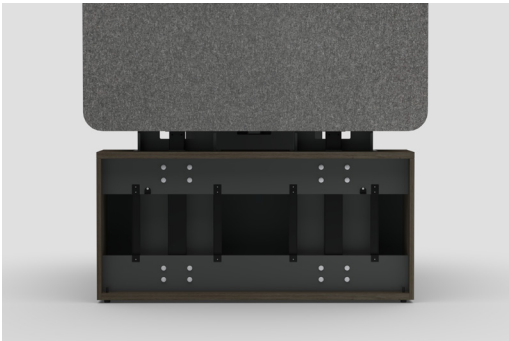

# Without Compromise

Visio ensures neat cable management with its integrated grommet and discreet routing through the modesty panel or leg. Your ideas come to life in elegant, uncluttered spaces—without compromise.

Small wall with back space hiding the adjustment column and allowing wiring to pass through.  
A laminate back can be specified for a beautiful finish.

Multifunctional keypad allowing for surface adjustment between 26 1/8" and 47 1/2" in height.
